## **AbsoluteBlack by BLANE**<sup>®</sup>

The Ultimate Choice for a Restful, Uninterrupted Sleep Experience.

### **Total Darkness:**

- AbsoluteBlack incorporates cutting-edge technology to effectively block out all sources of light. Whether it's the early morning sunlight or artificial lighting, our mask ensures a completely darkened environment, essential for deep and restorative sleep.

### **Ultimate Comfort:**

- Designed with premium materials, AbsoluteBlack gently conforms to the shape of your face. Its adjustable strap fits all sizes, ensuring perfect wear without uncomfortable pressure on the eyes or head.

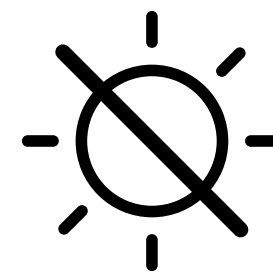

### **Versatility and Durability:**

- Whether you're traveling, taking a break at work, or simply at home, AbsoluteBlack is your ideal companion for a well-deserved rest. Robust and easy to maintain, it's designed to withstand daily use and remain your sleep ally for many years.

This product has been tested and has passed European standards. EN 352-2:2002 (licensing authority issue number 1974)
